DEPARTMENT OF AGRICULTURE.

MYSORE SERUM INSTITUTE HEBBAL, BANGALORE.

Tender Notice, dated 3rd May 1932, for the supply of Buffalo Bull Calves.

Sealed tenders for the supply of buffalo bull calves required for the Mysore Serum Institute at Hebbal, Bangalore, during the official year from 1st July 1932, to end of June 1933, will be received in the Office of the Director of Agriculture in Mysore, Bangalore, up to 3-15 P.M., on Monday the 20th June 1932.

2. The tenders should be made in sealed covers superscribed "Tenders for the supply of buffalo bull calves to the Mysore Serum Institute during the year 1932-33."

3. The tender rate quoted should be inclusive of all charges for free delivery of the calves at the Institute premises, at Hebbal, or at the Reserve Depot or any other place within a distance of about three miles from Serum Institute.

4. Every tenderer should deposit in the State Huzur Treasury, a sum of Rs. 100 as earnest money towards the tender in favour of the Officer-in-charge, Mysore Serum Institute, Bangalore, and the treasury receipt obtained therefor should accompany the tender without which the tender will not be considered.

5. The tenders will be opened by the Director of Agriculture at 4-15 P.M., on the same day in the presence of such tenderers as may choose to attend.

6. About 2,000 buffalo bull calves may be required to be supplied during the year but the number is only approximate. If necessary, more or less than the number mentioned will have to be supplied.

7. Not more than four contractors will be selected out of the tenderers and no single tenderer will be given the sole contract. Each contractor must be prepared to supply from time to time the number of calves required of him by the officer-in-charge of the Serum Institute, within the period specified by him. The rate approved by the Director of Agriculture should be accepted by the selected tenderers. If any of the selected tenderers does not accept the rate others among the tenderers will be selected and given the contract.

8. The final approval of contractors for the supply of Calves at the approved tendered rate will rest with the Director of Agriculture who does not bind himself to accept the lowest rate quoted or any tender or to assign any reason whatever for the rejection of any tender

9. Each of the selected contractors will be considered as a separate and an independent supplier to the Institute.

10. The rate quoted should be in figures as well as in words.

11. No claim for any compensations or enhancement of rates on any account shall be entertained.

12. The name of the successful tenderers will be intimated in due course. Every successful tenderer will be required to execute an agreement on a twelve annas stamp paper depositing a sum of Rs. 150 as security deposit in the State Huzur Treasury, in favour of the officer-in-charge, Serum Institute for the due fulfilment of the contract within seven days from the date of intimation of the acceptance of the tender.

13. No advance of cash will be made to the contractors. Payments to the contractors for calves supplied will be arranged by the undersigned as soon as possible after the contractor submits his bill for the same with the necessary vouchers, while arranging payment of his bills the contractor should accept the following conditions :—

(*a*) The total of bills amounting to Rs. 25 or more will be rounded to the nearest rupee, *i. e.*, fractions of less than half rupee will be disregarded and half a rupee and over will be taken as a rupee.

(*b*) The totals of bills less than Rs. 25 will be rounded to the nearest anna.

14. The tenderers should note the following conditions:—

(*a*) Tenders should be for the supply of only Buffalo Bull Calves which should be from 1 to 3 years of age, in good condition and perfect health.

(*b*) Each animal should weigh not less than 180 lbs., and

(*c*) Animals which have been previously protected against rinderpest by the S. S. method of inoculation and those which have recovered from a previous attack of rinderpest as well as those that have been formerly used in the Institute will not be accepted.

15. The undersigned reserves to himself the right to keep the animals under observation for four days prior to final acceptance and also to reject any animal at any time within those four days without assigning any reason for the same. Such animals shall be removed by the contractor immediately on receipt of intimation from the undersigned and they should be replaced within four days by an equal number of animals that may be acceptable to the undersigned.

16. A fine not exceeding Rs. 30 will be levied, at the discretion of the undersigned, for every infringement of the stipulation of the contract or for any attempt to impose upon the undersigned, S. S. inoculated or rejected or used Buffalo Bull Calves, etc., and if the stipulations of the contract be frequently violated the contract will be annulled and the security deposit forfeited to Government at the discretion of the undersigned.

17. Owing to any delay in supply, if the undersigned is obliged to purchase Calves elsewhere, he will do so at the risk of the contractor and any extra cost involved will be recovered from him independently of any fine that may be also levied on him as per para No. 16. But the contractor shall have no claim on the profits if any.

18. The contract of the tenderer should not be sublet.

19. The decision of the undersigned shall be final in all questions of acceptance of Buffalo Bull Calves.

20. Any further information relating to the supply of Buffalo Bull Calves may be had from the undersigned daily between 12 to 4 P.M.

Tender Notice dated 3rd May 1932, for the supply of ragi flour and common salt, etc.

Sealed tenders for the supply of ragi flour, common salt, cabbage and lucern, etc., required for the animals of the Mysore Serum Institute, will be received by the undersigned in his office up to 3-15 P.M., on Monday the 20th June 1932.

The supply on indents shall commence from July 1932, and continue till the end of the official year, *i.e.*, 30th June 1933.

The tender must be made in a sealed cover superscribed "Tender for the supply of ragi flour, common salt, etc., for the animals of the Serum Institute," and the tenders should be in the undermentioned form.

A sum of Rs. 50 should be deposited in the State Huzur Treasury, Bangalore, as earnest money in favour of the Officer-in-charge, Mysore Serum Institute, and the Treasury Chellan obtained therefor should be attached to the tender. Any tender which does not comply with this condition will be rejected.

The tender rates quoted should include all charges for free delivery of the articles at the Institute premises in Hebbal, Bangalore. The tenders will be opened at 3-45 P.M., on the same day in the presence of such tenderers as may choose to attend.

The rates tendered for each article will be considered as a separate tender by itself.

The rates quoted in the tender should be written in figures as well as in words.

The quantities mentioned in the statement below are only approximate which the undersigned is not bound to purchase in full. He may if necessary, order for more or less quantity from the successful tenderer or tenderers.

No claim for compensation or enhancement of prices on any account over the tendered rates shall be entertained.

The successful tenderer should be prepared to supply such quantities as are required from time to time upon indents from the Officer-in-charge of the Serum Institute and within the time specified by him.

The tendered rates are subject to the final approval of the Director of Agriculture who does not bind himself to accept the lowest rate or any tender or to assign any reason whatever for the rejection of any tender.

The name of the successful tenderer will be intimated in due course and he will be required to execute an agreement within a week from the date of receipt of intimation on a twelve annas stamp paper and to deposit a sum equal to 5 per cent of the total value of the articles at the accepted tender rate or rates, for the due fulfilment of the contract. Bills for the supplies made during the month should be submitted early for auditing and arranging payment. The total of bills amounting to Rs. 25 or more will be rounded to the nearest rupee, *i.e.*, fraction of less than half a rupee will be disregarded and half a rupee and over will be taken as rupee. The totals of bills less than Rs. 25 will be rounded to the nearest anna.

Tenders should be for supply of only good, fresh and cleaned articles free from all kinds of impurities and suitable for being consumed without further cleaning, and any article not complying with this condition will be liable to be rejected.

The earnest money deposited with the tender shall be forfeited to Government, if the tenderer whose tender is accepted, fails to execute the necessary agreement bond, within the specified time. The earnest money of unsuccessful tenderers will be returned.

Should the successful tenderer fail to comply with any of the conditions stipulated above, his contract shall be forthwith cancelled and the money deposited will be forfeited to Government. Further, in the event of the successful tenderer failing to fulfil his contract within the specified time or fails to supply the cattle feed, etc., within the required time as per indents sent, the Officer in charge reserves the right to purchase the ragi flour and common salt, etc., required in the open market against him, at his risk and expenses, and claim damages for any dislocation of work or loss that may arise, but the contractor will have no right to participate in the profits, if any.

(*a*) Tenders should be for the supply of only he-buffaloes which should be of from 5 to 8 years of age, in good condition and perfect health.

(*b*) Each animal should weigh not less than 400 lbs., and

(*c*) Animals which have been previously protected against rinderpest by the S.S. method of inoculation and those which have recovered from a previous attack of rinderpest as well as those that have been formerly used in the Institute will not be accepted.

13. The undersigned reserves to himself the right to keep the animals under observation for one week prior to final acceptance and also to reject any animals at any time within the week of provisional acceptance without assigning any reasons for the same. Such animals shall be removed by the contractor immediately on receipt of notice to do so from the undersigned and shall replace them within a week by an equal number of animals that may be acceptable to the undersigned.

14. A fine not exceeding Rs. 50 will be levied at the discretion of the undersigned for every infringement of the stipulation of the contract or for any attempt to impose upon the undersigned S.S. inoculated or rejected or used he-buffaloes, etc., and if the stipulations of the contract be frequently violated the contract will be annulled and the security deposit forfeited to Government at the discretion of the undersigned.

15. If, owing to the delay in supplying the he-buffaloes, the undersigned is forced to purchase them elsewhere it will be done at the risk of the contractor and any extra cost so incurred will be recovered from him independently of any fine that may be levied on him under the above clause ; but the tenderer shall not participate in the profits, if any, by such purchases.

16. The contract should not be sublet.

17. The decision of the undersigned shall be final in all questions of acceptance of he-buffaloes and infringement of the stipulation of the contract.

18. Any further information may be had from the undersigned daily between 12 to 4 P.M. in the office.

Sealed tenders for the supply of he-goats required for the Mysore Serum Institute, at Hebbal, Bangalore, during the official year, *i.e.*, from 1st July 1932 to 30th June 1933, will be received in the office of the Officer-in-charge, Mysore Serum Institute, Bangalore, up to 3-15 P.M. on Monday the 20th June 1932.

2. The tenders should be made in sealed covers superscribed "Tenders for the supply of he-goats to the Mysore Serum Institute, during the year 1932-33."

3. The tender rate quoted should be inclusive of all charges for free delivery of the goats at the Institute premises, at Hebbal, or at the Reserve Depot or any other place within a distance of about three miles from the Serum Institute.

4. Every tenderer should deposit in the State Huzur Treasury a sum of Rs. 75 as earnest money towards the tender in favour of the Officer-in-charge, Mysore Serum Institute, Bangalore, and the treasury receipt relating thereto should accompany the tender without which the tender will not be considered.

5. The tenders will be opened by the undersigned at 4-30 P.M. on the same day in the presence of such tenderers as may chose to attend.

6. About 1,000 he-goats may be required to be supplied during the year. The number is only approximate and the Officer-in-charge reserves the right to order for more or less than the number mentioned.

7. Not more than three contractors will be selected from out of the tenderers and no single tenderer will be given the sole contract. Each contractor should be prepared to supply the number of goats required by the Officer-in-charge of the Institute. The quotation approved by the Director of Agriculture, should be accepted by all the selected tenderers. If any of the three selected tenderers does not accept the quotation, any other tenderer may be selected in his place.

8. The final acceptance of contractors for the supply of he-goats at the approved tendered rate will rest with the Director of Agriculture, who does not bind himself to accept the lowest rate quoted or any tender or to assign any reason whatever for the rejection of any tender.

9. Each of the three selected contractors will be considered as a separate and an independent supplier to the Institute.

10. The rate quoted should be in figures as well as in words.

11. No claim for any compensations or enhancement of rates on any account shall be entertained.

12. The name of the successful tenderers will be intimated in due course. Every successful tenderer will be required to execute an agreement on a twelve annas stamp paper depositing a sum Rs. 150 as security deposit in the State Huzur Treasury, in favour of the Officer-in-charge, Serum Institute, for the due fulfilment of the contract within seven days from the date of intimation of the acceptance of the tender.

13. The successful tenderers should be prepared to supply such number of animals as may be required from time to time on indent from the Officer-in-charge within the time specified by him.

14. No advance of cash will be made to the contractors. Payments to the contractors for goats supplied will be arranged by the undersigned as soon as possible after the contractor submits his bill for the same with the relative vouchers attached thereto. While arranging payment of his bills the contractor should accept the following conditions:—

(*a*) The total of bills amounting to Rs. 25 or more will be rounded to the nearest rupee, *i.e.*, fractions of less than half rupee will be disregarded and half a rupee and over will be taken as a rupee.

(*b*) The total of bills less than Rs. 25 will be rounded to the nearest anna.

15. The tenderers should note the following conditions:—

(*a*) Tenders should be for the supply of only he-goats which should be from 1 to 3 years of age, in good condition and perfect health.

(*b*) Each animal should weigh not less than 50 lbs. and

(*c*) Animals which have been previously protected against rinderpest by the S.S. method of inoculation and those which have recovered from a previous attack of rinderpest as well as those that have been formerly used in the Institute will not be accepted.

16. A fine not exceeding Rs. 30 will be levied at the discretion of the undersigned for every infringement of the sitpulation of the contract or for any attempt to impose upon the undersigned S.S. inoculated or rejected or used he-goats, etc., and if the stipulations of the contract be frequently violated the contract will be annulled and the security deposit forfeited to Government at the discretion of the undersigned.

17. The undersigned reserves to himself the right to keep the animals under observation for four days prior to final acceptance and also to reject any animal at any time within those four days without assigning any reason for the same. Such animals shall be removed

by the contractor immediately on receipt of intimation from the undersigned and they should be replaced within four days by an equal number of animals that may be acceptable to the undersigned.

18. If, owing to any delay in supply, the undersigned is obliged to purchase he-goats elsewhere, he will do so at the risk of the contractor and any extra cost involved will be recovered from him independently of any fine that may be also levied on him as per para 16. But the contractor shall have no claim on the profits if any.

19. The contract of the tenderer should not be sublet.

20. The decision of the undersigned shall be final in all questions of acceptance of he-goats.

21. Any further information relating to the supply of he-goats may be had from the undersigned daily between 12 to 4 P.M. in his office.

Notice dated 4th May 1932.
